500th KRONE trailer handed over to Blue Water Group

KRONE Fleet Danmark A/S has recently delivered 134 Profi Liners to Blue Water Shipping. With this latest delivery, the trailer fleet of the Danish transport and logistics specialist has grown to 500 Krone units. Blue Water Shipping has more than 60 subsidiaries and 1500 employees across the world. The company also places particular emphasis on specifying KRONE Telematics, in order to ensure optimum fleet control. Jan Kristensen from Blue Water, accepted one of the Profi Liners in person from Ingo Geerdes, Søren Outzen and Brian Skov (KRONE Fleet) at the Krone factory in Werlte and gave his thanks for the excellent partnership. Jan Kristensen, is in charge of the fleet at Blue Water: "By choosing KRONE products, we've once again made the right call. The 500 trailers will continue to ensure a high level of reliability. KRONE Telematics also provides 24 hour monitoring and the security we require for our range of operational activities in the logistics process."
