

17. November 2017

KRONE at the French Solutrans 2017 Trade Fair in Lyon

Trailer manufacturer offers city logistics, commercial vehicles, and services in France

Commercial vehicle manufacturer Krone is participating in the Solutrans trade fair (Salon International des Solutions de Transport Routier et Urbain) in Lyon from November 21 to 25 2017. Krone will showcase the Dry Liner dry freight box body, the Cool Liner refrigerated semitrailer, the City Liner flatbed semitrailer along with Mega Liner Multos and telematics. Krone is strengthening its position in France with its Lyon-based subsidiary Krone France. Its new expertise centre in Pusignan near the trade fair grounds in Lyon offers new and used vehicles, classic service, and finance and fleet services. Krone France sells more than 2,000 new vehicles and roughly 500 used vehicles through Krone Used. The centre covers a total area of 20,000 m², 300 m² of which are used for office space. The Krone Centre provides local final assembly, maintains a 550 m² replacement parts warehouse, and a 200 m² service workshop. 25 employees work here, including the Krone Fleet team. Visitors can find Krone at booths 4 J 174 and EXT1 006 (outside area) at the Solutrans.
