KRONE at Moscow's Comtrans 2017 Trade Fair

Robust premium solutions for transport operators in Russia

From the 4th to the 9th of September 2017, Krone will be presenting its practical transport solutions in hall 13, stand 13-360 at Comtrans 2017 in Moscow. With 200 exhibitors from 18 countries and 15,000 visitors, Comtrans 2017 is the most important commercial vehicle exhibition in Russia. For the Krone Commercial Vehicle Group, the Eastern European states remain an expanding economic area with great potential. Krone will exhibit products that are market-proven in the transport industry, such as the Profi Liner with board walls and the Cool Liner refrigerated semitrailer with user-friendly Krone Telematics system. Krone trailers, with their reputation for high quality German engineering, are valued by hauliers and logistics providers in Russia, owing to their strength, low maintenance and easy handling. Innovative solutions for telematics services and tailored service packages complete the Krone portfolio at Comtrans 2017.
